

Dear Valued Customer,

We appreciate the trust you place in us and the opportunity to serve your business. We are writing to inform you of an upcoming adjustment to our rates, effective April 1, 2026.

Over the past two years, we have worked hard to maintain consistent pricing while continuing to deliver the level of service and reliability you expect. However, due to ongoing increases in operating costs—including labor, fuel, materials, and overall market conditions—we find it necessary to implement a rate increase to ensure we can continue meeting your expectations without compromising quality.

Beginning on April 1, 2026, our updated rates will go into effect. This adjustment allows us to continue investing in our team, equipment, and service capabilities so we can provide you with the dependable service you rely on.

We understand that price changes can be challenging, and we remain committed to delivering strong value and transparency. If you have any questions or would like to discuss how this may impact your account, please don't hesitate to reach out to us directly.

Thank you for your continued partnership and support. We truly value your business and look forward to serving you.

Sincerely,

Garry S. Cross
